## The Pastor’s Corner

There is a lot of static in the air, as Satan is the prince of the power of the air, and he’s doing all he can (Ephesians 2:2) to destroy us. As one can readily observe, he’s doing all he can to lead souls away from God’s promise of salvation. Unfortunately, at times, the church looks and acts more like the world because we’ve allowed him in our hearts.

So many in the church, and especially our leaders, have been hypnotized by his diabolical schemes. Our trials should cause us to bow down in reverence to God, but Satan tempts us to give him glory rather than to our Lord and Savior. Job stood on God's promises and wouldn't let go of his faith in Him. We need to follow his example.

God said that He would never forsake us (Deuteronomy 31:6), and we can take that to the bank because He swore by Himself that He would do for us. Therefore, we need to stand on the WORD, regardless of how much the trials have been intensified (Daniel 3). We need to put on the armor of God (Ephesians 6:13-17) so we may be able to stand when everything seems to go against what we believe God for.

Delighted to Serve,

Senior Pastor, Rev. Gullie Hoggard

### Jesus' Name Is Strong

**Proverbs 18:10** "The name of the Lord is a strong tower; the righteous runneth into it and is safe."

Jesus' name is not like any other ordinary name. There is so much authority, power, healing, and strength in His name. The only requirement, for the child of God, is to believe in and use His name to the glory of God.

Every knee has to bow at the sound of His name. This is the authority in His name. Demons tremble at the sound of His name. This is the power demonstrated through speaking His name.

There is also healing in His name. The scripture says that He sent His Word (Jesus) and healed them and delivered them from all their destructions, Psalm 107:20.

If we, as His children, only knew the power that we possess through the name of Jesus Christ, we would be more confident in who we serve.

When the scripture tells us that the Lord's name is a strong tower, this should depict to us an imagery of protection towering over us with hands so strong that nothing or anyone can harm or come against us. All we have to do, as righteous children, is to run into His safety.

Often, we view strength as muscles or hardness, but Jesus's name is filled with love, gentleness, kindness and meekness as well. Always remember, there is power in the name of Jesus to accomplish whatever we need in life.

humbly submitted,

Pastor J.
