The Pastor’s Corner

Seasons Change, but God remains the same

Fall has recently arrived, and it’s invigorating after a sweltering and humid summer! Even though seasons change, God never changes because the Word informs us that He remains the same (Heb. 13:8). Like the weather that constantly varies through the seasons, His love is always there to guide us through the storms of life.

As I look back on my childhood in the country, I remember the Fall, when most of the crops had been harvested, being an exciting time of the year. Even though the farmers, including my parents, could feel relief from the challenging work of the season, which didn’t mean that all work had ceased, they still had to take care of livestock and other necessary needs.

As already mentioned, God remains the same. Therefore, we must have the mind to harvest souls every season. Regardless of nature and our own seasons of life, we need to stay focused on winning souls for Christ.

DON’T COOL DOWN IN HARVESTING SOULS FOR CHRIST!

Delighted to Serve,

Senior Pastor, Rev. Gullie Hoggard

The Harvest You Reap

Galatians 6:8 "For he that soweth to his flesh shall of the flesh reap corruption, but he that soweth to the Spirit shall of the Spirit reap life everlasting."

Throughout the entire bible, we are taught to do the right thing because doing so is a demonstration of what God requires of us. God's word teaches us that what we sow, we will eventually reap, whether good or bad. Sometimes we think that we escape this principle of life, however, we can be sure to reap what we sow, more than we sow and later than we sow.

The Harvest that you reap depends on you and not anyone else. No matter how much we like to blame others, it's us. It's up to each individual to make sure they are intentional about sowing the right seeds, at the right time, and in the right kind of soil.

And you may ask what the right seeds are. The right seeds are when we do what God has commanded us to do, such as showing love, kindness, helping others, but most of all loving our God.

And what is the right time? The right time would be every time you have the opportunity to do the right thing, do it.

And what is the right kind of soil? The right kind of soil would be to sow these seeds to anyone that God directs you to. When we sow right, we will reap right.

Don't get discouraged if you don't see a harvest right away, just know that it is definitely on the way.

Just remember the harvest you reap reflects the seeds that you have sown.

humbly submitted,

Pastor J.
